Parent and Carer Meeting for Y3, 4 and 5

Many thanks to parents and carers who were able to attend our introductory meeting in school today. Just like last week, the feedback has been really positive and I'm so pleased everyone has found the information useful. This understanding will really help us to work in partnership with each other as the year progresses and will enable us to support the children as effectively as possible.

Parking

This week we have received a complaint from a member of the local community. A report was made of parents and carers driving erratically to compete for parking spaces and blocking access to local homes and properties. I fully appreciate the difficulties in parking near our school and it is an issue that I have raised repeatedly over recent years. That said, I remain highly concerned for both pupil safety and also our reputation in our local community. Please drive and park carefully and considerately. Thank-you

Head lice

It has been brought to our attention that there are cases of head lice across school. Whilst the infection could have occurred outside school, for example at football training or on a sleepover, as a school we do have a duty of care to pass on the information.

Please be aware that the level of incidence of head lice is fairly constant throughout the year and this letter is not an indication that there is an 'outbreak'. Rather we are raising your awareness of the situation so that you are reminded to check your child's hair thoroughly and on a regular basis through wet combing using conditioner and a fine toothed comb. It is also recommended to check the hair of every family member.
