Friday 10th May	8.05am - Morning Maths Club 1pm onwards - Oystercatchers swimming lesson 2.30pm - Star Tea

Newsham News

This term we are going to pilot a project in **which Newsham News is only provided by email or accessed on our school website.** This will really help us to cut down the amount of paper used in school every week. Some of our families already receive Newsham News by email. If you would like to be added to our list, please give your email address to staff in our School Office as soon as possible. We are also happy to receive your feedback next term about this pilot initiative.

Gates to be locked at 3.30pm and vacating the school premises

Families collecting children from school at 3.15pm must have left the school premises before 3.30pm. The park opposite our school is available for families wanting their children to enjoy play facilities after school hours. Thank-you for your cooperation.

School Lunches

Could parents and carers please make sure that school lunches are paid for before lunch is served on any given day. We will contact parents and carers to ask them to bring a packed lunch straight to school if payment has not been received on the day a lunch has been ordered. Thank-you.

Port of Blyth

The Y5 children have enjoyed two fantastic days of learning at the Port of Blyth this week. The children had a wonderful time building the kit car and taking part in a wide range of STEM (Science, Technology, Engineering and Maths) activities. The experience really helped to bring STEM to life and as always, the children were perfect representatives of our school. Well done everyone.

Date: 2nd May 2019

Year 5 Robinwood Trip

Can we please remind the parents/carers of any children attending the upcoming residential trip to Robinwood that any remaining balances need to be paid by Friday 17th May. Thank you

Phonics Screening Check

This year the National Phonics Screening Check will take place week beginning 10th June. It is important that all Y1 children are in school that week as they could be tested on any day of that week. Any Y2 children who did not pass the check in Y1 will be retested that week so must also be in school. The results of the test will be reported to parents along with their end of year report.

Attendance

Our whole school attendance percentage for last week was **96%**, which means we met our school target of 96%. **AM pebbles** were the winners in **EYFS** with **100%**, **KS1** attendance winners last week were **Lifeboats** with **100%** attendance, **Oystercatchers** were the winners in **Lower KS2** with **99%** and **Atlantis** were the winners in **Upper KS2** with **99%**.

Word of the Week

Resourceful and was awarded to Lily in Year 3. Lily receives a pack of gel pens for being very resourceful and making drawer labels for the whole class without even being asked to. Well done Lily.

Star of the Month April

Congratulations to the following children who have been awarded Star of the Month, Hannah, Ethan, Lacey, Ben, Devon, Tyler, Matthew, James, Kieron, Brooklyn, Leon, Korey, Evie and Beth.

Pupil Success

Well done to Leon, Lucas, Korey, Thomas and Hayden who all took part in the Harrogate Rugby Festival.

Team Points

Our weekly team points are: **Red = 825, Green = 868 and Yellow = 846**. Winners for last week were Red Team (Warkworth), well done!

Yours sincerely

Mrs A-M Armstrong

Headteacher
