Friday 17th May	8.05am - Morning Maths Club 1pm onwards - Oystercatchers swimming lesson

### Census Day Polite Reminder

On Thursday 16<sup>th</sup> May it is Census Day in School. The money the school receive from the Government to pay for the Infant school meals is based on an average of the number of meals taken on the census days and this can make a significant difference to our school budget. To encourage children to join us for school lunch Mrs. Weaver is offering a special menu with some of Newsham's favourites. Children can choose from Fish Fingers, Cheese and Tomato Pizza and Ham or Cheese sandwiches served with chips/ and or beans followed by a Mini Muffin. Ideally we would like **every child** in Reception, Year One and Year Two to join us for lunch on this day as the more children that have a school meal on census day the more funding our school will receive.

### Y6 SATs

Good luck to our Year 6 pupils who will be doing their SAT tests next week. They have worked so hard and we know you as parents/ carers will have been doing everything that you can to help. We say to the pupils that all that can be expected is that they do their best. To give them the chance to perform at their best, please make sure they are well rested with early nights. Furthermore, of course, they need to have full attendance next week.

### Year 5 Robinwood Trip

Can we please remind the parents/carers of any children attending the upcoming residential trip to Robinwood that any remaining balances need to be paid by Friday 17th May. Thank you

### Team Points

Our weekly team points are: **Red = 1298, Green = 1242 and Yellow = 1107**. Winners for last week were Red Team (Warkworth), well done!

Yours sincerely

**Mrs A-M Armstrong**

Headteacher
