2. Meeting notes, decisions and issues
<p>The purpose of this session was to have a thought-shower sharing of ideas about how we could launch our new litter campaign. Liam suggested we could launch it by taking photographs of the JLT actually tidying up and picking litter which we could then show to the rest of the school as an inspiration. This was built upon by Katie as something which we should, in the future, do in the centre of Blyth so it can be the most visible. Grace said that we could do a door to door leaflet campaign asking for volunteers in the local community to help us keep our town tidy. Owen thought that we could write letters to members of businesses in Blyth to ask for their help. Kai said that we could ask all of the children to make posters about keeping our school and town tidy. The rest of the JLT liked this idea and said that it could become a competition where each class has a winner and their design could be laminated and put on display around the school grounds. DG to discuss this with Mr Jones and launch it next half term.</p>
