<p>On Monday, the JLT will be going into the local community to help launch the Love Northumberland, Hate Litter Campaign. Most of the meeting time was given for JLT members and Mr Gregory explaining what would be happening when we were out in the community. The residency association complained about the amount of mess adjacent to the railway tracks leading to Gallagher's field and this has been decided as being an ideal place to start our litter pick campaign. We will be given Hi-Vis Jackets and litter picking equipment. It has been decided that we will not be doing any litter picking on the way to the site but that we will be able to pick up litter on the way back. JLT members discussed what their behaviour should be like when out of school and thought about what potential future litter pick projects might look like. We looked through suggestions for our JLT display and decided on sensible areas to think about when moving forward. One area which continues to be brought up is a specific area for football which Mr Gregory, Mr Jones and Mrs Armstrong have discussed with the year 6 boys.</p>
