## **Important Information about Changes to School Uniform Ordering**

Dear Parent/Carer,

We are pleased to inform you we have made some exciting changes to how school uniform will be ordered after Easter.

We are moving to an online system with our current supplier, Tots to Teams. From Monday 16<sup>th</sup> April all school uniform will need to be ordered in this way. The system is very user friendly and allows you to choose team colour and garment colour, along with size. There is also the option to have the item/s delivered to school or your home (for a delivery charge, unless the order is over £50). Items delivered to school will be sent home with your child.

The website is Tots to Teams - <https://www.totstoteams.com/>

You need to select our school – Newsham Primary School then start shopping!

Prices are subject to change depending on wholesale prices of stock.

We currently have a small stock of uniform that we are selling if anyone is interested please call in to the main office to check available stock. This stock is first come, first served.

Thank you.

Yours sincerely

Mrs Cathryn Watson
